Card Explorer Page

Content shown on Compare v2 and the Airtable field it comes from. The mobile view uses the same fields, one card at a time.

Content shown	Table	Field	Note
Column header, card name	Cards	`card_name`	
Column header, bank	Cards	`bank`	
Column header, colours	Cards	• `ui_card_background` • `ui_card_text_color`	
Apply link	Cards	`apply_url`	Design
Minimum income	Cards	• `min_income` • `invitation_only`	If `invitation_only` is ticked, show "By invitation" instead of an income.
Annual fee	Cards	`annual_fee`	
Annual fee conditions	Cards	`annual_fee_details`	
Lounge, "Included" or "Not offered"	Cards	• `lounge_visits` • `lounge_access` • `lounge_network` • `lounge_condition`	Worked out from whether they are empty.
Lounge, visits	Cards	`lounge_visits`	
Lounge, access	Cards	`lounge_access`	
Lounge, network	Cards	`lounge_network`	
Lounge, condition	Cards	`lounge_condition`	

Content shown	Table	Field	Note
Insurance, "Included" or "Not offered"	Cards	• `travel_insurance_accident` • `travel_insurance_medical`	Worked out from whether they are empty. The design shows one of the two. If both have a value, show medical, not accidental.
Insurance, life	Cards	`travel_insurance_accident`	
Insurance, medical	Cards	`travel_insurance_medical`	
Insurance, condition	Cards	`travel_insurance_condition`	
Insurance, insurer (linked name)	Cards	• `travel_insurance_underwriter` • `travel_insurance_underwriter_url`	
Spending rewards, line 1	Cards	`spending_rewards_cashback`	"5% cashback, all currencies"
Spending rewards, line 2	Cards	`spending_rewards_details`	Long text. Supports new lines.
Foreign transaction fee, provider link text	Cards	`fx_provider`	
Foreign transaction fee, provider link URL	None	`fx_provider_url`	Design. One URL per provider.
Foreign transaction fee, "plus 1% Aurora fee"	Cards	• `fx_fee_pct` • `bank`	

Content shown	Table	Field	Note
Curtailments, "Included" or "Not offered"	Cards	• `curtail_flight_delay` • `curtail_flight_cancellation` • `curtail_baggage_delay` • `curtail_condition`	Worked out from whether they are empty.
Curtailments, flight delay	Cards	`curtail_flight_delay`	
Curtailments, flight cancellation	Cards	`curtail_flight_cancellation`	
Curtailments, baggage delay	Cards	`curtail_baggage_delay`	
Curtailments, condition	Cards	`curtail_condition`	
Curtailments, insurer (linked name)	Cards	• `curtail_underwriter` • `curtail_underwriter_url`	
Value-added services (text, icon, button, image)	Cards	`vas_list`	Image items need an image link and a Learn more link inside the JSON. The page has no place for them yet, so both fall back to `#`.
